

**Copa Discover Aviation
Pilot Briefing / Flight Route**

Flight Altitude: _____

Expected Runway _____

If wind favours Runway 14.

Take off to South.

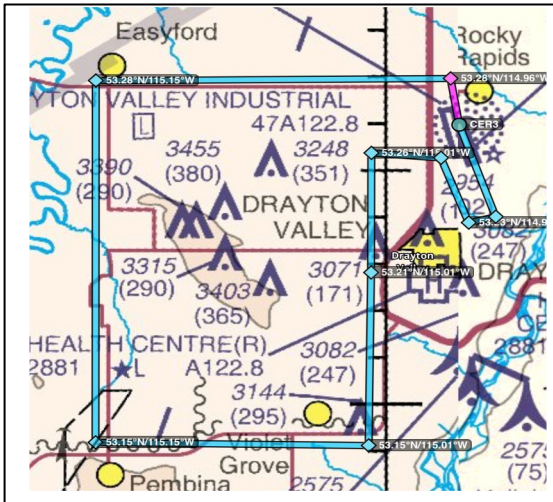

Do a right turnout to follow highway 621 past Violet Grove.

Turn North and follow RR 85 (paved road) to Highway 621.

Turn right toward CER3.

Cross midfield and join downwind 14.

Land long and take the second taxiway, so the ones taking off can take the first taxiway and have less backtracking.

If wind from favouring Runway 32.

Take off to North.

Follow highway 621 to Easyford, just before Pembina river bridge.

Turn South and follow RR85 (paved road) till Hwy 620.

Turn East and follow to curve to north.

Continue past west side of DV till abeam Airport.

Turn right 180 degree to join downwind 32 at Midfield.

Land long and take the second taxiway, so the ones taking off can take the first taxiway and have less backtracking.
